

Application instructions for BlueCross of Idaho

Thank you for your interest in applying for a Medicare Advantage Plan from BlueCross of Idaho.

In order to comply with state insurance commission requirements and approvals for submitting an application to BlueCross of Idaho, we are allowed to provide you with a copy of an application in a few different ways. All methods require you to speak with a licensed insurance agent as part of completing the application:

- Client completed application – We can email, fax or mail an application to you and then you can complete the application yourself. Once completed you can return the application to us for review and then submission to the carrier for underwriting and approval. You can scan/upload, fax, email or mail the completed application to us.

**Note: Please let us know which company you want to apply for and for which State.
